Such thorough coaching also largely assists them to obtain scholarships after +2.

**Refresher Classes**
The College provides refresher classes after completing the main course. These inputs encapsulate a quick penetrating review of the entire course and provide a solid tutoring session for subsequent NEB Board Examinations. Such classes give KIST students a superb chance to consult subject teachers about hard topics or difficult questions and to clear their doubts.

**Academic & Personal**
KIST academic counseling for students is based on their subject-wise performance. This counseling facilitates the acquisition of study skills and habits along with time management techniques that together help in eradicating their weak spots. Additionally, personal counseling at the College aims at maintaining the highest standards of conduct and discipline to prepare each student for an exemplary college life.

**Higher Studies & Careers**
The College counselors advise students about choosing the right courses and suitable colleges or universities for higher studies. Contests & Fairs
KIST organizes numerous contests to stimulate intellectual or artistic pursuits. These include art & craft shows, debates, elocution, quiz contests, and recitation. Notably, we also organize a popular annual Fair that has a Science, IT & Management Exhibition, with imaginative projects of students, and related Competitions. This inter-college event promotes a vitally-needed inter-disciplinary approach to knowledge and assists in innovation or discovery linked to societal and national needs.
We believe ECAs play a rather meaningful role in a student’s education and life. Curricular activities – mere studies – remain incomplete without vital extracurricular inputs since they help in the all-round development of students.

**Games & Sports**

We emphasize this aspect of college life as it builds a competitive spirit & positively impacts students’ overall development. Activities related to games & sports are a permanent fixture of the KIST daily schedule.
KIST believes in a culture of excellence promoting outstanding academic achievement. The College strives for continuous scholastic improvement by narrowing the gap between aims and attainments. Our well-managed and peaceful campus environment is most favourable to real learning and keeps our students fully focused on their studies.

Our Code of Conduct instills a high level of positive discipline in our students. The College builds up a keen sense of task completion and time management among students. The work, discipline, and conduct of KIST students reap rich rewards and endear them to society.

Welcome and Orientation programmes, Award and Graduation ceremonies, and the Career Guidance Symposium add depth and texture to the KIST experience. Students make lasting friendships and enrich their thinking.

We hold that parental supervision is necessary to foster educational development and student success. Close cooperation between the College and parents or guardians – meetings or consultations – brings about ideational harmony and behavioral consistency. So families themselves become educators through the milieu they provide at home.

KIST has an Alumni Association to encourage fruitful, on-going interaction between past and present students. Such continued engagement builds up a web of mutually beneficial relationships and affects a free exchange of useful ideas or fresh information thereby greatly profiting all our students and their alma mater. Additionally, the Association aspires to support the institutional quest for academic achievement and all-round excellence.

KIST Merit Scholarships motivate students to excel in their performance in the Term and Board Examinations. The College also awards talent-based scholarships in fields beyond academics and need-based scholarships to help deserving disadvantaged students. Our awards stimulate the overall academic milieu of the institution and nurture higher overall achievement.

KIST’s community of teachers and students discusses subject matters, projects, and activities across a wide network of relationships.
