

Get the Best +2 Education Here

Our commitment to academic excellence and the personal development of students gives an extra edge to their overall performance. The + 2 education delivered by KIST's skilled, experienced faculty is matchless!

High-Quality Education

Pursuing Academic Excellence

Excellent Faculty: Our dedicated, experienced faculty delivers excellent teaching-learning, supervises academic performance, and guides accordingly.

Effective Methodology: We integrate technology and multiple learning to help students understand and remember better as they acquire critical thinking skills.

Systematic Assignments: Students are given regular homework and vacation assignments co-related to methodical class work.

Continuous Assessment: Academic life here is driven by regular class, Term, and Pre-Board tests and examinations enhancing competitive success.

Ample Practicals: The College arranges sufficient practicals under expert supervision to meet syllabi standards and students' hands-on learning needs.

Regular Tutorials: Our intensive tutorial system truly improves student academic performance through individual attention and precise guidance.

Preparation Courses: Our synergistic teaching-learning & medical, engg, & mgmt entrance prep classes are imperative for competitive success.

Complete Counseling: We concentrate on academics especially subject-wise performance & study skills, future studies, career plans, personal or social needs.

Focused Practice: Abundant preparatory work for NEB Board examinations is organized by the College so that students do well invariably.

Parental Participation: Meetings or consultations foster student education & success via ideational harmony and behavioral consistency.

Positive Discipline: Our Code of Conduct instills positive discipline in our students building up a keen sense of task completion and time management.

KIST has a pragmatic, student-centred approach and believes in motivating students for their career objectives and life goals. It focuses on nurturing computer skills for the contemporary knowledge, socio-economy and, generally, serves all learning needs.

Cutting-Edge Facilities

Benefitting from Resources

Library: There's a large updated collection of textbooks, reference or general reading books, and e-gadgetry/e-library.

Laboratories: Our well-equipped, commodious, modern laboratories have varied materials for Physics, Chemistry, Biology, and Computer Science.

ICT Centre: We have a digitally networked working environment with continuous Internet connectivity alongside state-of-the-art computer labs.

Transportation: Our transportation services, to and fro the College within Kathmandu valley, are dependable, punctual, and comfortable.

Extracurricular Activities: ECAs, a vibrant side of campus life, make KIST students fit in body, mind, and spirit to take on the challenges of modern life.

Co-Curricular Activities: They enrich students' lives by developing their personalities and academic profiles.

Premises: Spacious premises and a peaceful environment provide just the right environment for academic work.

New Frontiers

KIST is a modern institution ready to meet the challenges of 21st century education. Its professional team of educators is committed to excellence in teaching-learning and academic performance. We have set new standards so that our students can change themselves and shape their future better. This is what we strive to do and what we want to be.

+2 Science Management

Introduction

Established in 1995, KIST - Kathmandu Institute of Science & Technology - has a 24-year-long history. The College runs +2 programmes in Science as well as Management and also offers Bachelor's and Master's programmes affiliated to TU - Tribhuvan University.

An educational pioneer in Nepal, KIST has been providing qualitative education. Our qualified and experienced faculty members are dedicated to the delivery of high-quality teaching. We have an academically competitive environment that brings out the best among students.

The College also offers wide-ranging co-curricular and extracurricular activities. The institution has special clubs that serve the interests of students. We also encourage our youngsters to serve society through useful action.

KIST has its own buildings with sufficient amenities boosting academic effectiveness. These buildings are well engineered and safe. The College campus is spacious enough for sports and other purposes.

+2 Programme

The +2 programme in Nepal is the standard path to further studies for post-SEE / Equivalent level students. This academic programme builds a thorough educational base for higher studies in renowned colleges and universities globally. It assuredly leads to promising careers in engineering, health & medical science, or management.

For more information visit www.neb.gov.np
